

EXHIBITION QUARTER, BOWEN HILLS

WHAT: PROJECT UPDATE 10 - COMMUNITY CONSTRUCTION INFORMATION

WHEN: ISSUED WEEK **FRIDAY 10th November 2023**

WHERE: BRISBANE SHOWGROUNDS PRECINCT

To our valued community,

Works underway

Construction of Exhibition Quarter is progressing well. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks coming to and from site daily.

Upcoming works

Works are continuing Exhibition Street. Our next phase of works on Exhibition Street will occur during the week of the 13th of November 2023 and works are expected to take one week. Works will include trenching and installation of new electrical mains across Exhibition Street and into the site.

Works activities and work zones will change from day to day, but traffic control will be in place at all times when work is occurring, and all normal pedestrian and vehicle traffic will be maintained.

All works will be completed during normal business hours and no out of hours works are planned as part of this activity. Exhibition Street will be returned to normal operation and traffic control will not be present when no works are occurring.

General information

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project to Brisbane Showgrounds.

For more information

If you have any further questions about the development or the broader precinct, please do not hesitate to contact Shannon Volp, Stakeholder and Community Engagement Manager, Lendlease Development or visit our website www.exhibitionquarterowenhills.com.au

For any site specific or operational questions, please contact to Mario Crismani, Construction Manager, Hutchinson Builders.

Yours sincerely,
