

EXHIBITION QUARTER, BOWEN HILLS

WHAT: PROJECT UPDATE 13 - COMMUNITY CONSTRUCTION INFORMATION

WHEN: ISSUED WEEK **MONDAY 19th FEBRUARY 2024**

WHERE: BRISBANE SHOWGROUNDS PRECINCT

To our valued community,

Works underway

Construction of Exhibition Quarter is progressing well. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks moving to and from site daily.

Upcoming works

The start of this year has been deeply impacted by the rain events that have taken place in Brisbane. Hutchinson Builders are working hard at gaining some lost time, to ensure we remain on programme.

Hutchinson Builders have approximately 100 personnel working onsite daily. These workers are contributing to the precinct in very positive ways, including buying local in our retail outlets.

The current focus for the site is completing level 4 concrete pour, you will see the structure start to get vertical quickly from here on in.

General information

All works will be completed during normal business hours and will continue to occur between Monday to Saturday 6.30am to 6.30pm. Exhibition Street is returned to normal operation when no works are occurring.

Please note these works are expected to create construction noise. We will manage and mitigate this noise as much as possible to limit the impact to the area.

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project to Brisbane Showgrounds.

For more information

If you have any further questions about the development or the broader precinct, please do not hesitate to contact Shannon Volp, Stakeholder and Community Engagement Manager, Lendlease Development or visit www.exhibitionquarterowenhills.com.au

For any site specific or operational questions, please contact to Mario Crismani, Construction Manager, Hutchinson Builders.

Yours sincerely,
