

## EXHIBITION QUARTER, BOWEN HILLS

**WHAT:** PROJECT UPDATE 15 - COMMUNITY CONSTRUCTION INFORMATION

**WHEN:** ISSUED **MONDAY 27<sup>th</sup> MAY 2024**

**WHERE:** BRISBANE SHOWGROUNDS PRECINCT

---

To our valued community,

### **Works underway**

Construction of Exhibition Quarter is progressing well. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks moving to and from site daily.

### **Upcoming works**

On Thursday 30<sup>th</sup> May 2024, Hutchinson Builders will be completing a concrete pour on Exhibition Street with a mobile concrete pump, weather permitting.

Full traffic control will be in place as per council permits. Access to and from both Belise and Omega Apartments will always be maintained under traffic control.

Furthermore, there will be concrete trucks utilising Exhibition Street throughout the day to service the concrete pump.

### **General information**

All works will continue to be completed during business hours from Monday to Saturday between 6.30am and 6.30pm. Exhibition Street is returned to normal operation when no works are occurring.

Please note we will manage and mitigate the construction noise from these works as much as possible to limit the impact to the area.

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project at the Brisbane Showgrounds.

**For more information**
