

# **EXHIBITION PLACE, BOWEN HILLS**

WHAT: PROJECT UPDATE 19 - COMMUNITY CONSTRUCTION INFORMATION

WHEN: ISSUED October 2024

WHERE: BRISBANE SHOWGROUNDS PRECINCT

To our valued community,

## **Works underway**

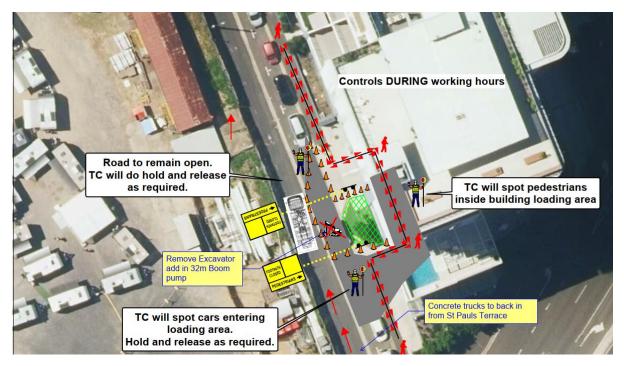

Construction of Exhibition Place is progressing well. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks moving to and from site daily.

## **Upcoming works**

The following concrete pours are planned for October. These dates are subject to the weather and may be delayed. We continue to utilise traffic management to manage the traffic interface with the concrete trucks.

| 28/10/2024  | Concrete Pour from Alexandria Street<br>Level 17 Pour 1 | Stop and go traffic controls on<br>Alexandria Street and King's Lane |

Please note on Friday 11<sup>th</sup> October, concrete pours will take place from Exhibition Street. These activities, will include traffic management on Exhibition Street throughout the day, see below for more information.

#### **General information**

All works will continue to be completed during business hours from Monday to Saturday between 6.30am and 6.30pm. Alexandria St and Exhibition Street are returned to normal operation when no works are occurring.

Construction workers and administration staff can arrive onsite prior to 6.30am and are authorised to conduct to prepare for the day, conducting administrative duties only. We will manage and mitigate the construction noise from these works as much as possible to limit the impact to the area.

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project at the Brisbane Showgrounds.
