

## EXHIBITION QUARTER, BOWEN HILLS

**WHAT:** PROJECT UPDATE 7 - COMMUNITY CONSTRUCTION INFORMATION

**WHEN:** ISSUED WEEK COMMENCING 3<sup>rd</sup> July 2023

**WHERE:** BRISBANE SHOWGROUNDS PRECINCT

---

To our valued community,

### Works underway

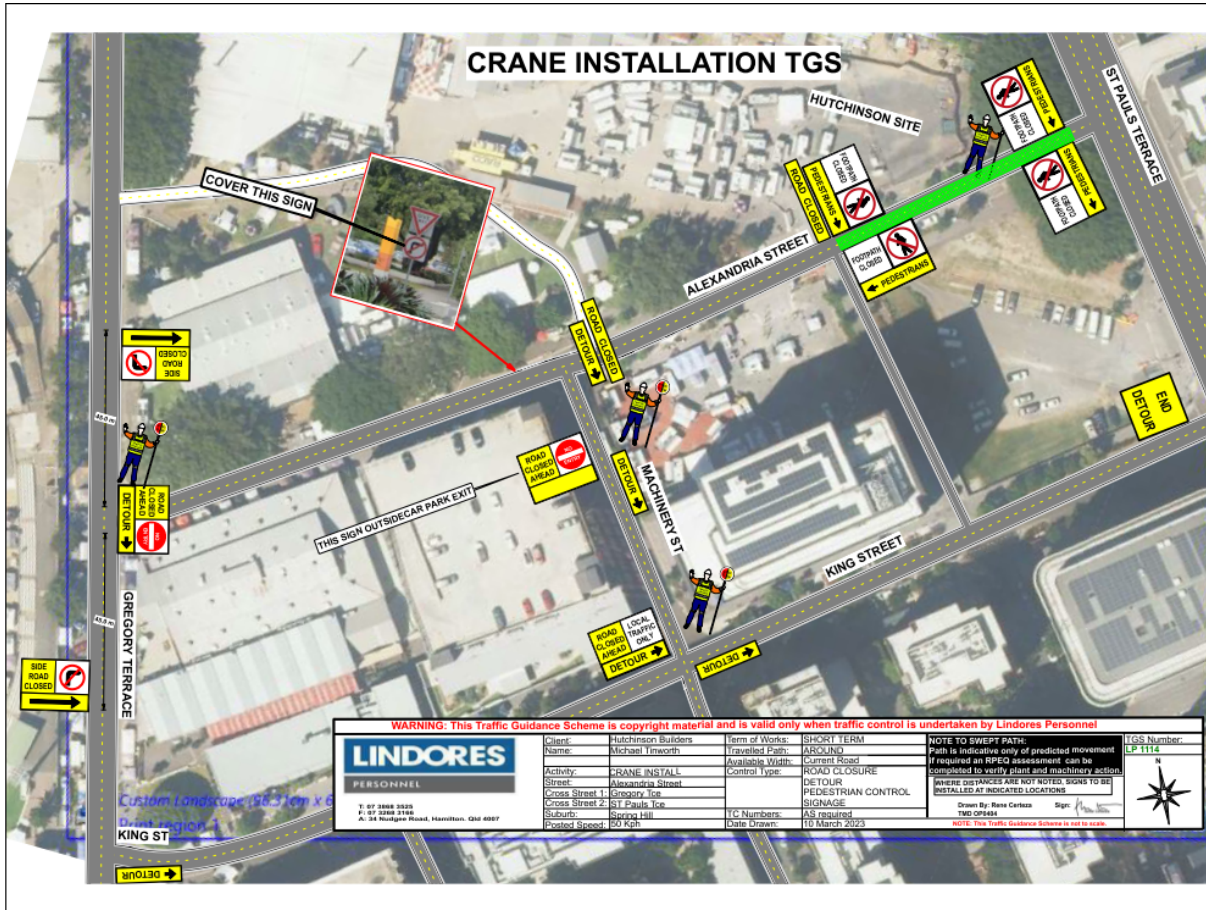

Construction of Exhibition Quarter is progressing well. We are continuing to complete large scale concrete works, so please be aware there are a number of concrete trucks coming to and from site daily.

The next phase of work will require the use of two cranes, as previously notified.

### Upcoming works

Due to unforeseen circumstances, the installation of the second crane has been slightly delayed. This will now be arriving on site on Saturday 15<sup>th</sup> July. No other details have changed.

The arrival of the crane will impact the traffic in the area, and Alexandria St will be closed from 6.30am to 6.30pm. During this time, traffic will be redirected via Machinery St and King St.

The introduction of this second crane will not change or increase the construction impacts onsite. The cranes are expected to be onsite until early 2025.

### General information

We will continue to minimise any inconvenience where possible and we thank you for your patience while we deliver this exciting new project to Brisbane Showgrounds.
